

## **Student Vehicle Parking**

Students are permitted to park on school premises as a matter of privilege, not of right. Patrols and inspections may be conducted without notice, without student consent, and without a search warrant. Students are required to unlock vehicles for reasonable inspection when required to do so by an administrator. Failure to cooperate may result in the loss of permission to drive a vehicle onto campus, in-school suspension or short-term suspension from school.

Students will be permitted to park their vehicle in the school parking lot provided they have:

- a. Current vehicle insurance policy;
- b. Driver's license; and
- c. Vehicle registration.

Additional parking requirements include:

1. Students must complete the Student Vehicle Parking form prior to parking on school grounds.
2. Automobiles are restricted to parking in spaces marked for parking. All automobiles inappropriately parked are subject to being towed without additional warning and at owner's expense.
3. Madison School District assumes no responsibility of automobiles parked on District property.
4. Madison School District is not responsible for theft or damage to automobiles parked on District property.
